Anche quest'anno il nostro Istituto organizza uno stage linguistico (vacanza-studio) della durata di una settimana in un paese anglofono nel periodo che precede l'inizio dell'anno scolastico 2024/25.

L' iniziativa è rivolta agli studenti delle future classi seconde e terze.

La destinazione dello stage cambia di volta in volta ed e' tuttora in via di definizione, ma per illustrare l'iniziativa alcuni ragazzi, che hanno vissuto questa esperienza, hanno preparato una brochure che abbiamo il piacere di condividere con voi.

Seguiranno informazioni più precise e dettagliate sulla meta e sul periodo scelti per il prossimo settembre 2024, nella speranza che possiate partecipare numerosi!!!!!!

Our Experience

Giada, 2A

“We did this journey with the English teachers Paola Mila and Marilena Cucco and other students of our school. We stayed in a college in Broadstairs, called “Broadstairs English Centre”. There were some bedrooms near the teachers’ bedrooms and we were 6-8 for each room.”

Marco, 3B

“During the lessons we had fun and the teachers were very competent. We did some games for learning better and we learned about the British pronunciation.

We did some activities outside the college, around Broadstairs, where we talked to the locals: they’re used to it, because a lot of students go there to learn English!”

Greta, 2E

We visited a lot of cities: Margate (near Broadstairs), London, Canterbury and Ramsgate, where we took a walk on the beach and then we got back to the college with a double-decker bus.

In London, we saw the Westminster Cathedral, the Big Ben and the House of Parliament, the London Eye, the Horse Guards, the British Museum, Covent Gardens, and Buckingham Palace.

Some pictures taken during our trip!

Conclusions

“We loved this experience, because we improved our English and learned a lot of things about the British Culture. We met new people and we had fun with our friends! It made us grow and in fact for us it was the best time, so far, of all middle school. We thank all the people who made this trip possible. It is a great experience and it will stay forever in our heart!”
